

UWA World War II Veterans - Appeal to Convocation

The UWA Historical Society has recently launched a project to record and document the contribution of UWA staff, students and graduates to World War II.

For many, Australia's wartime participation has left profound scars, but we feel that it is important that individual service and sacrifice are commemorated.

If you have information regarding your own service or that of a relative or friend, or stories you have about wartime you would like to contribute, please email to arrange an interview:

Margo Warburton <margo-warburton@hotmail.com>

Joan Pope <popejoan@westnet.com.au>

Gil Hardwick <gilhardwick@iinet.net.au>.

Please be assured that any information you provide will be treated with the utmost respect, and will be checked in National Archives, Australian War Memorial, university and other records.
